

TLC's Early Learning Center April 2010 Newsletter

Welcome April!

We are looking forward to the warm weather of spring! We sure did enjoy some warm spring days during March. Let's just hope April brings the same!

Reminders for some upcoming events we don't want you to forget about:

- Fri., April 9 Spring/Graduation Pictures starting at 8:00 A.M.
- April 19th – 25 Week of the Young Child
- Thurs., April 22 Earth Day – look out for special activities
- Mon., May 10 Closed for In-Service Training
- Wed., May 26 Zoo Trip
- Mon., May 31 CLOSED for Memorial Day

I would like to THANK all the parents who took the time to fill out the parent survey this month. This will really help us in planning for our upcoming accreditation.

We will have spring/graduation pictures taken this year on April 9th. Reminders will go out as the time gets closer.

We are planning a field trip to the ZOO for May 26th. This trip will be for the Buttercups, Hufflepuffs, Gryffindors, and Road Runners classrooms. The cost will be \$5.00/child. We will ask for as many chaperones as possible, although bus space may be limited. We will have further details to follow.

Classes are still planning and conducting parent/teacher conferences this month. Please see your child's teacher if you have not already planned one. We typically conduct parent/teacher conferences three times a year – November, March, and June. We like to share with you the objectives we have been working with your child throughout the year, and answer any questions you may have. This is a perfect opportunity to have some one-on-one time with your child's teacher to discuss any concerns as well.

April is the Month of the Young Child. In honor of this month, we will be planning special activities for the children to take part in. Ms. Jobella is thrilled to be helping out again this year on the projects. We will be getting to you a list of the different activities soon. You will find more information about other celebrations throughout our community attached to the newsletter. If you have any ideas, or would like to help Ms. Jobella, please let us know.

The parents of the PTA will be working together with our teachers to plan some Earth Day activities. If you would like to get involved, please let me know, and I can point you in the right direction.

I hope everyone has a great month, and don't forget – April 15th is Tax Day!!

Ms. Kelly King
Director, ELC
