

Social & Emotional Skills Groups

Call and ask about our next session!

\$90 per week, 6-8 week sessions, Ages 6 to 16

Starting up again! Social and emotional skills groups for children 6 to 16 years of age. Groups are led by TLC psychologists and/or social workers with years of experiences providing individual and group counseling to children of all ages. Using role plays and activities in a structured peer group, your child will build strong social and emotional skills! Some goals we will work on include:

Developing positive peer relationships

Managing anger

Dealing with mistakes

Flexibility

Reading body language

And more!

Call and learn how we can help your child.

For information about this and other groups, contact:
