**TLC Summer Camps at The Katherine Thomas School**  
9975 Medical Center Drive Rockville, MD 20850

**TLC Friends Interaction Group and Individual Therapies**  
2092 Gaither Road, Suite 100 Rockville, MD 20850

**LITTLE FRIENDS LANGUAGE  
AND LEARNING CAMP**

**AGES 3 - 5**

**M-F, 12:30PM - 3:30PM**

**AT THE KATHERINE THOMAS SCHOOL**

Enhance early literacy skills while developing communication, social interaction, and play skills in an exciting and interactive environment! A Speech-Language Pathologist and Special Educator create hands-on, exploratory learning while incorporating summer-themed activities into the camp day. Early learning concepts including language, pre-reading, and math skills are taught in an engaging and interactive manner.

Pair with Morning Movers to incorporate OT.

**FRIENDS TOGETHER CAMP**

**AGES 5 - 7**

**M-F, 9:00AM - 12:00PM AND/OR**

**M-F, 12:30PM - 3:30PM**

**AT THE KATHERINE THOMAS SCHOOL**

The focus is on building communication and social-pragmatic language skills as well as addressing areas of sensory processing and motor planning, through interactive summer themes, active play and use of our three sensory gyms. Groups are led each day by BOTH a Speech-Language Pathologist and an Occupational Therapist.

Attend either the morning or afternoon session or pack a lunch and stay for a full day with our daily lunch bunch!

**OT MORNING MOVERS**

**AGES 3-5**

**T,W,TH, 11:00AM - 12:00PM (LUNCH @12 FOR LITTLE FRIENDS CAMPER)**

**AT THE KATHERINE THOMAS SCHOOL**

Explore 3 sensory motor gyms with obstacle courses and movement stations to improve strength, balance, coordination, visual spatial, and motor planning skills.

**FRIENDS INTERACTION GROUP (IG)**

**AGES 2 ½ - 5, 8:45AM-11:15AM AND/OR 1:00PM-3:30PM**

**AT TLC'S GAITHER ROAD LOCATION**

Develop and improve communication, social interaction, motor, and sensory processing skills. Through our multidisciplinary approach, Occupational Therapists, Speech-Language Pathologists, and Psychologists work to improve your child's communication, sensory motor, and peer play skills. Call 301-424-5200 x147 for more information and to schedule a required play visit.
