

TLC's OUTCOMES SERVICES

Workplace Success Program

A hands on experience preparing young adults for the world of work.

TLC's Outcomes Service, in partnership with a local retailer, is offering a training and hands on experience for young adults with disabilities ready to learn about the world of work. Outcomes' professional employment specialists will support the growth and learning of work skills that are essential to workplace success. Session includes working at a store in the community to apply, practice and improve job skills learned at Outcomes.

Located at Outcomes, with other supervised training days off site.
